QUERIES BY THE QUEER

Queer questions come over the telephone to the newspaper offices. Here was one that the man who chanced to answer the phone had put up to him the other day:

"Say," began the unknown seeker after the truth, "do you—do you remember who it was that killed Abel?"

"Why Cain of course," replied the newspaper man, who put in several years at Sunday school. "Who 'dju suppose?"

"Well," observed the man at the other end in an annoyed tone, "daggon if I ain't gone and made a fool o' myself. Course it was Cain, now that you mention it, but I made a two to one bet with a fellow that 'twas Goliath, and now I'll have to go without a new overcoat, I reckon, this next winter."—Cleveland Plain Dealer.

KENYON

Team To Lose Best Half Back In State

Gambler, O., Sept. 29—The Kenyon team received a great blow when it was definitely announced that Crippen, a star half, and Pontious, the best fullback Kenyon has had in years, would not re-enter. Crippen is going into business, while Pontious enters Michigan. Yost has wanted Pontious to come to Michigan for the last two years, as his work at Detroit University school attracted "Hurry Up's" attention.

The Kenyon team this year will be faster and heavier than last year's and should make a better record. The training table started today and the charging machine will be used for the first time tonight.

This week many new plays will be given the team, and with a strong freshmen squad to work against they should be perfected by Saturday when Kenyon meets Otterbein in the opening game of the season. The boys will show what stuff they are made of at that time.

NARROW

Escape Of The Groshams Baby Under A Car

The baby girl of Mr. and Mrs. Geo. Groshams of Canton, formerly of Mt. Vernon, had a narrow escape from being ground to pieces under a street car in Canton recently, and that it escaped with but a few bruises is miraculous. The parents were walking along the street with the child when it suddenly dashed from their side and ran across the street, then started back just in front of a rapidly approaching car. Before the frightened parents could reach the baby the car fender had struck her, knocked her down and rolled her under the car wheels. By a superhuman effort the motorman succeeded in stopping the car just before the wheels struck the little one, and it was lifted from under the car practically unhurt save a few bruises.

BETTER

Than Ever Is The Turner Bible Institute

Better than ever is the word from the Turner Bible Institute. This work is proving to be an unusual intellectual as well as a spiritual treat. These are those who are getting a vision as to what the human mind is capable of under the leadership of God. There can be no question but that the seed is being sown in these meetings that will bear much splendid moral and spiritual fruit in years to come. Those who are attending are being daily brought face to face with the fact that men and women cannot be leaders unless they have a full knowledge of the word of God.

The meetings will continue today and tonight as usual with the exception that tonight's meeting will be held at 8 o'clock at the close of prayer meeting.

PE-RU-NA USED FOR KIDNEY CATARRH.

Gen. A. F. Hawley, of Washington, D.C., writes: "I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrh of the lungs."

Gen. A. F. Hawley.

Kidney Trouble for Nearly Thirty Years.

William Bailey, Past Col. Enc. No. 66, Union Veteran Legion, and prominently identified with many of the great labor protective associations in Chicago and New York, and secretary of one of the largest associations in the former city, had for nearly thirty years been afflicted with kidney troubles.

Within a short period he has been persuaded to try Peruna, and his present healthy condition is attributed to his judicious use of that great remedy. Washington climate is notoriously bad for kidney and liver troubles, yet by a judicious use of the remedy he is now quite cured and in excellent physical condition.

This brief statement of facts, without exaggeration or hyperbole, appears to tell the whole story, which the Peruna Company is authorized to use, if it so chooses, believing, as I do, that by so doing it will be for the general good. William Bailey, 581 E. 4th St., N. E., Washington, D. C.

Kidneys Affected—Back Weak.

Mr. M. Broderick, Secretary and Treasurer Local Union No. 406, International Brotherhood of Teamsters, writes from 435 E. 40th St., Chicago, Ill., as follows:

"I have been suffering from a weak back and kidney trouble for some time, and have been able to find relief only through the use of Peruna.

"During the winter season I usually keep a bottle of your medicine in the house, and by taking a dose at night I am feeling fine the next morning."

"Some of my friends assure me that Peruna is equally as good for their various ailments as it is for my complaint; but I do know that for kidney trouble and suffering from a weak back it has no equal."

Cold Settled in Kidneys.

Mr. Joseph Klee, 215 East 4th St., Topeka, Kas., writes:

"My wife took Peruna for liver trouble and a run-down condition incident to the same. A few bottles built up her health and strength."

"I took Peruna for a cold which settled in my kidneys, giving me much pain. In two weeks I was much better, and in a few months I was well."

For Liver and Kidneys.

Mr. W. H. Armistead, Cumberland, C. H., Va., writes:

"Your Peruna has cured me of chronic catarrh of long standing. I thank you so much for your advice. I think it is a great medicine. It will do all that you recommend it to do. Besides, I can recommend it to cure all liver and kidney troubles."

Chronic Kidney Trouble.

Judge C. J. Park, R. F. D. 1, Buckhead, Ga., writes:

"For a long time I was troubled with catarrh of the kidneys, and after taking Peruna I feel like a new man. I think it the greatest catarrh medicine of the age, and believe it will cure any case of catarrh on record."

POINTED PARAGRAPHS

OXFORD HOSPITALITY

Oxford, which Lord Curzon desires to "reform," has traveled very far from the conditions of things observed by a German explorer toward the end of the eighteenth century. He had arrived at the city at midnight and was introduced by a Good Samaritan to the Mitre. Here, to his intense astonishment, he saw several gentlemen in academic dress seated round a table, each with a pot of beer in front of him. "My health," says the traveler, "was drunk in strong ale. At last, as morning drew near, one of the company exclaimed rather emphatically, 'I must read prayers this morning at All Souls.'—London Chronicle.

Smart Styles in
Feminine Footwear

It has been the practice of the Parr Shoe Store for the past Twenty-five years to be the first to give to Knox County women the most stylish, perfect fitting and serviceable in New Footwear.

Our styles are made by large manufacturers both east and west. We get the choice from the best and are glad to offer these at prices that are easy to reach.

Perfect feet are not obtained by wearing ill-fitting shoes. A perfect-fitting shoe does a double duty; it is always comfortable and it wears longer. Such are the qualities of a Parrquality shoe.

The upper left hand cut shows a low heeled, natured-shaped shoe for girls, made in Gunmetal and Tan, Button or Lace. This is an ideal school shoe because it wears well and feels good.

\$3 the Pair

The upper right hand cut shows the very newest pattern in shoe making with a rather high heel and full round toe made in Patent and Gunmetal.

\$3.50 the Pair

The center cut shows our plain toed shoe that is made of Patent Colt with cloth top or velvet finished Vici Kid. Our shoe in the store has the new slant top instead of the wave top as shown.
